**Lasting beauty for your Shower, Vanity & Tub Surround.**

Jetta Stone is easy to care for and will remain beautiful and looking like new for years to come with minimal care. Jetta Stone resists stains, mildew and mold. Jetta Stone has a silky smooth matte finish and is available in a wide variety of colors. The color and particulate pattern goes completely throughout the thickness of the material.

**Vanity Tops and Bowls**

Jetta Stone makes the perfect choice for your vanity. The countertop and bowl are integrated so that there is a smooth transition from the countertop to the bowl making it easy to clean.

**Tub Surrounds and Skirts**

Jetta Stone tub surrounds and skirts give you a wide variety of colors in solid, vein or granite look to enhance the appearance of your tub.

**Walk-In Bath Systems**

Jetta Stone LLC carries a complete line of walk-in bath systems and whirlpool bathtubs. Our design and jet placement gives you the maximum Hydro Therapy experience by placing jets at your back, hips and feet. All of our tubs are totally insulated to retain heat, eliminate motor noise and vibration.

**Lasting beauty for your Shower, Vanity & Tub Surround.**

Jetta Stone's durable, non-porous material is excellent for wet areas such as showers and bath tub surrounds, vanity bowls and tops. Shower walls made of Jetta Stone have no grout lines and the surface resists mildew and bacteria growth.

Jetta Stone's one piece panel construction eliminates the chance of mold from occurring behind your walls and under your floor. Because Jetta Stone has no grout lines, maintenance and cleaning is a breeze.
